

RADIATE STUDENTS

DREAM TEAM

Radiate Dream Team Covenant

1. Christ-centered: One that is daily pursuing a personal growing faith centered in God's word and through prayer.
2. Teachable: Studying the word for their own spiritual walk and willing to be discipled to know the Gospel truth in a greater way.
3. Involved: Willing to serve and be a part of Radiate students as a leader, teacher, host, greeter, social media influencer or whatever gift capacity that you are involved in.
4. Servant Leader: Able to live out the Gospel truth in their personal life, not just within the church.
5. Reliable and Consistent: Consistency builds relationships. Be a leader that our student ministry team can call on or rely on. Show up and serve when assigned or asked.
